

# THE FREE CHAIR COULD BE YOURS!

Are you ready to take on a new challenge? Ready to surpass yourself? At OCS, you're in just the right place!

[www.ocsgmbh.com](http://www.ocsgmbh.com)

For over 30 years, OCS Optical Control Systems GmbH has been known for innovative, customer-specific solutions for [quality control and assurance](#) in the polymer and petrochemical industries. OCS has made an international name for itself in particular with tailor-made quality measurement systems and laboratory equipment for raw materials manufacturing and the [plastics processing industry](#).

We offer services ranging from the production and integration of advanced quality management systems to the planning, implementation and commissioning of [turnkey laboratories](#). As a world market leader in the field of optical quality assessment systems, we are represented in over 35 countries. More than 100 experts work at our corporate headquarters in Witten, Germany, alone.

To augment our team in Witten, we are currently seeking

## Senior/Junior Design Engineer for ICE and electrical engineering (f/m/x)

### Your varied responsibilities

- You create documents ranging from project P&IDs through to circuit diagrams for the machines and systems that we deliver
- You design layouts for control boxes and cable runs
- You support commissioning (in-house or on the customer's premises)
- You work together closely with the Software Development, Mechanical Design and Production departments
- You support our team in all product areas, from pellet conveying systems through to film lines

## Your qualifications

- Successfully completed studies in a technical field (ideally ICE technology or electrical engineering) or state certification as an electrical engineering technician
- Several years' professional experience in electrical design and ICE technology (Senior) – but we also offer opportunities to career entrants (Junior)
- Sound knowledge of the CAE system EPLAN Eletric P8
- Good command of spoken and written English
- Strong communication skills and the ability to work in a team

## We offer you

- Independent work in young, yet experienced and dynamic teams
- An attractive salary
- Holiday and Christmas bonuses
- 30 vacation days
- Intensive on-the-job training
- An intercultural working environment and flat hierarchies
- Social benefits for health and family, such as
  - Sports offerings at the premium fitness studio  
Oase Health & Sports Club in Bochum
  - Occupational pension
  - Non-smokers' bonus
  - Childcare subsidy

Are you interested? We would welcome your comprehensive online application, including an indication of your desired salary and earliest starting date.

Your application will of course be treated with absolute discretion. We look forward to hearing from you!
