Your varied responsibilities

- You control and supervise the conception and implementation of international marketing & communication activities online & offline, including monitoring of project success.
- In cooperation with internal and external service partners, you will produce creative content and key visuals that consistently correspond to the OCS CI/CD.
- You will create and place this content in a timely and regular manner in order to reach our customers on various channels. This includes our web and social media presence, newsletters and e.g. press releases.
- You plan, manage and control trade fairs & events worldwide in order to present our devices and systems live.
- Together with an agency, you will maintain and further develop our website in an SEO-optimised way.
- You contribute significantly to the external appearance of OCS and create/maintain company and product presentations as well as sales documents.
- You will take care of administrative tasks such as CVAs, orders and invoices.

Your qualifications

- Completed studies in the field of marketing, communication, media or a comparable education/qualification
- Preferably interested in technical matters
- You are proficient in MS Office applications and, if applicable, in the ADOBE package (InDesign, Photoshop and Acrobat DC)
- Initial experience in ERP systems
- Good command of English
- Good communication skills, team spirit and initiative

We are

As the world market leader in the field of quality measurement and testing systems, we have been developing innovative quality measurement and testing solutions for the raw material manufacturing and processing plastics industry for more than 30 years. Research & development are our core competences. More than 100 experts work for us at our headquarters in Witten, Germany.

Are you interested? We would welcome your comprehensive online application, including an indication of your desired salary and earliest starting date.

Your application will of course be treated with absolute discretion. We look forward to hearing from you!
